

The Gala Dinner celebrating the School's 40<sup>th</sup> Anniversary will include 400 guests on Friday, 20<sup>th</sup> November 2009 at the Fondazione Arnaldo Pomodoro.

In recognising the achievements of the past, this evening will also serve as the perfect occasion to look to the future. A portion of the proceeds raised will go towards School projects to ensure the tradition of educational excellence at the Sir James is continued. Another portion will be donated to Save the Children.

We are counting on the support of parents (past and present), alumni and other key members and friends of the SJHS Community to make our Anniversary Celebration a memorable experience.

The Gala Dinner offers a unique opportunity for companies and brands to market their services and/or products to a select and influential audience comprising parents and friends of the School.

Support for the SJHS Anniversary can be by way of:

- Donations of exclusive/creative items and services for the Gala Dinner live auction and raffle
- In-kind donations of goods and services for the Dinner (wine, flowers, audio/visual, lighting)
- Underwriting or sponsoring part of the expenses for the event
- Advertising in the SJHS 40<sup>th</sup> Anniversary Catalogue.

Principal sponsors and contributors will be given appropriate exposure and recognition at the event and at other School events and functions throughout the 2009-2010 academic year.

All guests will receive a copy of a special 40<sup>th</sup> Anniversary Catalogue, which will include detailed information on the auction items as well as information on all those who have contributed to the event. Companies providing services and items for the evening will be acknowledged editorially and will also have the opportunity to purchase advertising by the page.

If you would like to play a role in supporting our event or to find out more about how you or your company could participate please send us an email at [40years@sjhschool.com](mailto:40years@sjhschool.com) or contact Anne Marie Berger, Chairperson, Gala Committee (+39 335 7059559)

We do hope that you will join with us in celebrating this milestone and in so doing help to ensure that this outstanding institution can continue in its pursuit of educational excellence.
